We thank God for a blessed and productive half-term. As we begin the second half of the term, it is our prayer that God perfects the work our students began this school year.

Founder's Day

To the glory of God, Founder's day was successful in spite of the persistent fuel crisis. Mums and daughters, and dads and sons came out to help raise funds for the Ilasan Primary School Project. The proceeds from the event will go towards completing the school's fence, repairing ceilings, patching walls, and painting the school.

Ilasan Primary School students received resource packs containing water bottles, pencils, sharpeners, and other important resources.

On the 4th of May, a few of us visited Ilasan Primary School to hand-over the gate and completed section of the fence to Ilasan Primary School's headmistress, students, community members, and Eti-Osa local government representatives.

Orphanage Visit

As you may know, one of our objectives is to bring hope to underprivileged children. To this end, we'll be visiting Living Fountain Orphanage in Oniru, Victoria Island on the 25th of June, 2015. The children will be given resource packs.

Community Service

Community service/civic literacy is a 21st century theme and is essential to developing successful and well-rounded students. Community service is often a requirement for entrance into some colleges and/or universities and it is a great way for our students to build their resumes and skill sets. More importantly, community service can be a life-changing experience, one that allows them to expand their horizons, develop problem-solving skills, as well as social and cross-cultural skills.

Although, our students have been participating in community service activities, these activities will be expanded into a community service programme to provide a rich and beneficial experience to our students; volunteering opportunities will, also, be available for parents who feel called to work with disadvantaged populations.

Ilasan Primary School's New Gate

Students of Meadow Hall School and Ilasan Primary School participating in community service-based initiatives

bathreg.onlinesurveys.ac.uk/community-service-survey-3 to complete a quick questionnaire. Thank you, in advance, for your input.

Survey
